

Melanie Brady

Honors Peer Mentor

Hi guys, I'm Melanie and I'm currently a sophomore at Merrimack. I am super excited to meet all you guys, and I am here to make your transition as easy and comfortable as possible! Feel free to reach out if you have any questions!

I love staying active, lifting, watching funny movies and shows, and being with my family. I play rugby and golf, and my favorite class is anatomy. I never miss my iced coffee in the morning and could always go for ice cream.
