

Olivia Calvin

Honors Peer Mentor

Hi! My name is Olivia Calvin, and I am going to be a sophomore this fall! I am a passionate nursing major, and am so excited to meet all of you. I will do my best to make your transition to college smooth, and help make Merrimack feel like your second home like it does for me!

I love going on walks outside, and I'm usually listening to hype music (2010 hits, PITBULL!) I played soccer, basketball, lacrosse, and also nordic skied in high school, and love going to all sporting events on campus! I enjoy staying busy on campus with all of my involvements and friends, and I love to play Big Prize Bingo at the beginning of each semester. My comfort shows are One Tree Hill and Grey's Anatomy, and lastly, dunkin > starbucks.
