

Bella Rondinelli

Honors Peer Mentor

*insert headshot

Hi! My name is Bella and I am currently a freshman at Merrimack. I am so excited to be a peer mentor and help with your transition to Merrimack!

I love to travel, cook, and hang out with friends. Someday I hope to visit every state in the country! While at Merrimack, I love watching hockey games, attending OSI events such as big prize bingo, and attending honors events such as trips to Boston!
