

**Hey! My name is Kaylie Sheffield and I am a current sophomore here at Merrimack!
In my free time, I love to work out, go to the beach, go for hikes, and run. On
campus, I love going to fitness classes and sporting events! My favorite food is ice
cream, and I also love to travel!**

**I can not wait to meet you all and help you with your transition into college. Feel
free to reach out with any questions!**
